"DAHLIAS ELITE"

1923

ROBERT LAURIE BLACK.

W. W. KENNEDY & SONS

41 BROAD STREET

RED BANK, NEW JERSEY

To Our Patrons

In issuing this, our annual list of Dahlias, we wish to thank our customers for their kind support, which has enabled us to raise the Dahlia to its present high standard.

We test many hundreds of varieties of Dahlias each year and we only offer in this list varieties that we have proven to be suitable for this locality, and superior to other existing varieties.

By our special method of propagation, we are able to supply thrifty young plants at about half the cost which many other specialists charge for dormant roots. Our young plants, if given the proper care, we GUARANTEE to flower, and they will also produce tubers, which can be stored for the following year.

Our list contains the Elite of the Dahlia family and embraces all colors and types.

Visitors are always welcome at our grounds on Harding Road, where all the varieties listed and many new ones may be seen growing.
